

Marketing Planning Template

Organize objectives, audience, competitive research, positioning, channels, budget assumptions, KPIs, and measurement into one planning framework.

Planning Overview

Use this template to connect business objectives, audience, competitive context, positioning, channels, budget assumptions, KPIs, and measurement in one working plan.

1. Business Objectives

Objective	Baseline	Target	Timeframe	Owner

2. Audience & Positioning

Primary audience	Needs / pain points
Core value proposition	Why this offer is relevant / different

3. Competitive Context

Competitor / alternative	Observed strength	Observed gap	Implication

4. Channel Plan

Channel	Role	Audience	Primary CTA	KPI
Website / SEO				
Google Ads				
Social Media				
Email / CRM				
Other				

5. Budget Assumptions

Category	Planned monthly	Assumption / note
Advertising		
Content		
Software / tools		
Website / development		
Other		
Total		

6. KPIs & Measurement

KPI	Definition	Baseline	Target	Reporting cadence

--	--	--	--	--

7. 90-Day Action Plan

Priority	Action	Owner	Due	Status
1				
2				
3				
4				
5				

Planning principle: establish the objective and measurement framework first, then select channels and activities that support it.
